REQUEST FOR CORRECTED FILING RECEIPT

Sir:

Enclosed is a copy of a Filing Receipt issued by the Patent and Trademark Office in connection with the above-identified patent application. Upon review of the Filing Receipt, a typographical error was discovered. The enclosed copy has been annotated in red to show how the error made by the Patent and Trademark Office should be corrected.

The Filing Receipt erroneously lists the title of the application as "Ball Hitting Paractice Apparatus". However, as set forth in the originally filed application, the title should have been listed as -- Ball Hitting Practice Apparatus --. Accordingly, applicants respectfully request that the Patent and Trademark Office issue a corrected Filing Receipt correctly listing the title as -- Ball Hitting Practice Apparatus --.

In the section entitled "Continuing Data as Claimed by Applicant," there is a notation that the information listed is "inconsistent with PTO records." Applicants have reviewed the this information, i.e., claiming benefit of provisional application 60/147,747, filed 8/06/99, and have been unable to find any inconsistency as noted in the Filing Receipt.

(Applicants have also enclosed herewith a copy of the filing receipt for the provisional application, which includes the serial number and filing date information.) It is therefore not understood what is meant by the notation "Data inconsistent with PTO records," and it is respectfully requested that this notation be removed from the Filing Receipt.

The errors in the original Filing Receipt are believed to be the responsibility of the United States Patent and Trademark Office. However, if for any reason the errors are deemed to be the responsibility of applicants, the Commissioner is hereby authorized to charge payment of any fee that may be required under 37 C.F.R. § 1.19(h) in connection with this Request to Deposit Account No. 06-1075. A duplicate copy of this Request is transmitted herewith.
